Mr. Brad White, National Chair

Dear Brad

Thank you for your kind invitation to participate in your "Freedom is not Free" campaign to honor California's Iraq and Afghanistan Purple Heart recipients.

CFRW is in support of the efforts of our military and we acknowledge their efforts in keeping America free. We appreciate the sacrifices of our deployed troops and their families who remain at home.

I am encouraging our members, nearly 20,000 strong, to individually participate in your program. Because of the structure of our organization, we are unable to contribute dollars, but we are sending your flyer in our current issue of ***The California Woman***, our statewide newsletter that reaches every club in the state.

Please, also, accept our thanks for participating in our Advocacy Workshop in Sacramento on April 24th.

Keep up the good work.

Cordially,

A handwritten signature in blue ink that reads "Marianne".

MARIANNE HAYDON, President
